

## Doing the name justice metal-cover from over five decades

### TRIBUTE TO METAL

performs the most outstanding songs from the entire spectrum of Heavy Metal - live in one set and as close to the original as possible. Passion not only for a band, but an entire genre. Concentrated metal power for all fans of the harder gait in shows of up to three hours.

TRIBUTE TO METAL covers not only legends like Iron Maiden, Metallica, Megadeth, Judas Priest or Dio but also bands like Alter Bridge, Anthrax, Disturbed, Dream Theater, Pantera, Pretty Maids, Queensrÿche, System of a Down, Van Halen and more.

This multi-faceted mix of energies and sounds forms the perfect basis for a full-length spectacle that will pump adrenaline into the blood of metal-heads.
